

Re-Registering and Early Admission Seminar

presented by

Denise Charles, Futures Coordinator
Harvest Community High School

In cooperation with

Kym Johnson, FSCJ South Campus

As a senior next year, what are your plans for College Credit?

Upcoming seniors have two options

DUAL ENROLLMENT

OR

EARLY ADMISSION

*NOTE: With either option, Harvest requires that seniors be enrolled in a combination of **5** courses between Harvest and FSCJ including Bible*

Also with either option, you must have met Math eligibility scores to ensure compliance with the 12 credit rule.

Dual Enrollment vs. Early Admission

Dual Enrollment

Seniors can take up to 2 DE courses on the college campus and up to 2 DE courses on the Harvest campus

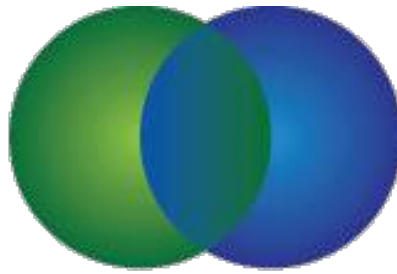

Details on the next few slides.

Early Admission

Seniors are considered full-time college students and must take 12-15 credit hours at FSCJ while taking Bible at Harvest

NOTE:

We have a special arrangement with FSCJ to allow our EA seniors to also take a fine art at Harvest if they wish

DUAL ENROLLMENT

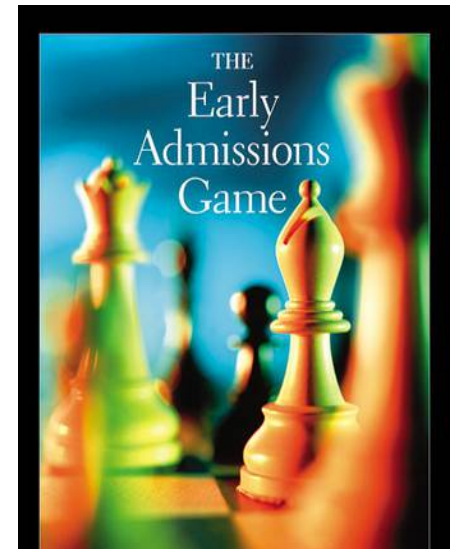

Seniors can continue in a normal dual enrollment capacity taking up to 2 DE courses on the college campus or on-line and up to **2 DE courses at Harvest**

Harvest requires that students have a minimum 2.5 college gpa to continue in dual enrollment process

The items in blue are new policies

Early Admissions

for Seniors only!

Rising seniors may qualify for **Early Admissions** for the **Fall** and/or **Spring** semesters of their senior year. Eligible students are required to enroll in 12 -15 credit hours on the college campus during Early Admission semesters.

Seniors must have a 3.25 unweighted cumulative GPA on the high school transcript to be eligible for Early Admission.

Early Admission seniors can take only Bible and Fine Arts on the Harvest campus during Early Admission semesters.

***Note:** A senior may Early Admit only one semester if desired*

There are no additional fees for **Early Admissions.**
