

HCS Typical Program of Study

updated 2-18-14

Middle School

6 th Grade	7 th Grade	8 th Grade
English 6	English 7	English 8
American History	7 th Grade History	8 th Grade History
General Science	Life Science	Physical Science
Course I or Course II	Course II or Pre-Algebra or Alg I	Pre-Algebra, Algebra I or Geometry
Bible I	Bible II	Bible III
Resource	Resource	Resource
Physical Education	Physical Education	Physical Education

High School level math courses, **Algebra I** or higher and **Physical Science** will allow a credit on the high school transcript. Credits earned in middle school will count toward the required number of credits needed for the high school transcript but will not be calculated into the GPA.

Higher level courses in 8th grade can give a student more of an opportunity to attain an Associates degree during high school through dual enrollment.

High School

9 th grade Freshmen	10 th grade Sophomores	11 th grade Juniors	12 th grade Seniors
English I	English II	English III or ENC1101	English IV or Lit 2000
Alg I, Geometry or Alg II	Geometry, Alg II or PreCalc	Algebra II, Int Alg, PreCalc or DE	Applied Math, PreCalc, Calculus, DE
